**Terms and Conditions**

Unless specifically agreed, a deduction will be taken for Soil & Stones, Undersize & Oversize potatoes.

After this deduction a 10% tolerance for defects will be permitted. If this allowance is exceeded a further deduction of up to 5% may be made at our discretion or a greater deduction by mutual agreement.

The Potato crop has been grown in accordance with the FEPA regulations (MRL) and the Food Safety Act 1990. We also guarantee that the Pesticides applied are by qualified operators and that details of Field & Storage records are available on request.

We, the supplier, confirm that all information supplied is correct and confirm acceptance of these terms.
